CURIOUS WINES of particular intrigue...

ANNOTATIONS

(VG) - VEGAN

Most winemakers will use animal products such as egg white to help clarify wines. Vegan wines are wines that have not come into contact with anything derived from an animal or dairy source.

(MI) - MINIMAL INTERVENTION

Minimal intervention means winemaking that doesn't add or remove anything in the wine making process - it's about letting the fruit and the land give expression to the wine.

(R) - RARE GRAPE VARIETY OR BLEND

This is a grape variety or blend of that you don't normally see. As such it is curious in its own right and well worth exploring.

(O) - ORGANIC

Wine made with grapes grown without the use of any synthetic chemical to help preserve the health of both customers and planet. The restricted use of sulphates also plays a big part, leaving you with as clean a wine as possible.

(BIO) - BIODYNAMIC

Biodynamic farming seeks sustainability, or leaving the land in as good or better shape as they found it for future generations. The idea is to create a self-sustaining system using natural fertilisation and planting cycles. Some Biodynamic practices are pretty strange, like burying a cow horn with the vines, but we'll let you Google that yourself...

SPARKLING WINE

Bottle

LUNARIA ORSOGNA, 2019/20 (O) (VG) (BIO) - Italy 35
Imagine, Italy in 500 AD and seeing people drinking a cloudy, orange/pink sparkling wine that tastes of red berries, ripe peach & pear. Lunaria Orsogna is Pinot Grigio, aged on its yeast, left unfiltered and allowed to double ferment. This is an ancient method 'Pet Nat Brut'. Wonderful and definitely not Prosecco.

WHITE WINE

Bottle

GUERILA, PINELA & ZELLEN, 2018 (O) (BIO) - Slovenia 45
The aroma of grapefruit, pineapple, citrus fruits and dried flowers in the background. A charming full-bodied wine with an emphasis on freshness and a distinct minerality.

SEMILLION, MOTHER ROCK, 2019 (O) (VG) (MI) (BIO) - South Africa 44
Zesty, with white stones and white stone fruits, some herbal hints too - a bit funk but a whole lot of fun. A thirst quenching apéritif, light and energetic - yet a powerful, intensity of fruit and minerality abounds.

CIELLO BIANCO, CATARRATTO, 2018 (O) - Italy 28
Organic, hazy, unfiltered, fruity. 5 out of 5 on the funky scale, this little natural white wine has bags of fresh tropical fruits, lemon pith, grapefruit and southern olive oil texture.

GRAN CERDO VIANCO, VIURA (O) (VG) (MI) - Spain 29
Pale colour, very fresh with good acidity, like a crisp green apple from the Viura. The slightly floral nose comes from the myriad of experimental white varieties in the blend.

ORANGE WINE

Bottle

TESTALONGA BABY BANDITO (O) (MI) (BIO) - *South Africa*

45

Skin contact Chenin Blanc from koffieklop. Waxy, nutty, harmonious and complex with some rich pear and peach notes and some orange peel. Fresh and vital and showing lovely balance.

RED WINE

VINA ZORZAL, SEA OF DREAMS, GARNACHA, (O) (VG) (BIO) - *Spain*

44

Clove, black fruit, followed by soft cherry and ripe fruit aromas. The palate is soft, yet full-bodied and powerful, with a long, balanced, and attractive aftertaste. A steak's best friend.

GARNACHA, SYRAH, EL RISCO CATALAYUD, BOBAL, 2019, (VG) (MI) - *Spain*

38

Pronounced plum, raspberry and herbs. Complex notes of spice and leather. Medium body with fine ripe tannins. Wild berries give way to a smooth spicy finish.

MIXED BLEND, BLANK BOTTLE, MASTER OF NONE, 2020 (MI) (R) - *South Africa*

48

Curious blend of red and white grapes, and a great summer red. Think of it as a South African upstarts take on Cru Beaujolais. Super bright and juicy, with wild strawberry, cherry and an earthy, smoky undercurrent. Like other wines in this style this can be served slightly chilled.

FINCA DINAMIA BUENALMA, MALBEC, (O) (VG) (MI) (BIO) - *Argentina*

48

Deep ruby in colour with a rustic nose of brambles, dried herbs and cloves, the palate is full bodied with concentrated black fruits, mocha, black olives and a slight spicy pepper note on the finish.
